

ONE ROCK CAPITAL PARTNERS EXPANDS OPERATING PARTNER TEAM WITH ADDITION OF ROSS BUSHNELL

NEW YORK, August 6, 2026 – One Rock Capital Partners, LLC (“One Rock”), a value-oriented, operationally focused private equity firm, is pleased to announce the addition of Ross Bushnell to its team of Operating Partners. Mr. Bushnell will be responsible for driving post-acquisition value at One Rock’s portfolio companies through strategic growth initiatives focused on the chemicals and process industries.

Mr. Bushnell joins One Rock with over 30 years of experience leading domestic and international manufacturing, packaging and paper businesses through operational improvement, strategic restructuring and value-creating transactions. Most recently, he served as President and CEO of Pixelle Specialty Solutions, where he led the specialty paper manufacturer through a strategic restructuring that included operational improvements, debt restructuring, portfolio optimization and asset divestitures. Prior to Pixelle, Mr. Bushnell served as President and CEO of Scholle IPN Corporation, a liquid food packaging business, where he led the business through a period of sustained revenue and EBITDA growth and its subsequent sale to Swiss-based SIG. Earlier in his career, he held executive roles at Sonoco Products, Mondi, Graham Partners, Silgan Plastics and Monsanto Company, building broad experience in general management, commercial strategy and operational improvement.

"Chemicals and process industries has been an area of focus for One Rock since inception," said Tony W. Lee, Managing Partner at One Rock. "Ross brings a compelling combination of operational rigor, transaction experience and international perspective that we believe will be valuable to our portfolio companies. Partnering experienced Operating Partners with management teams is central to our approach to value creation, and we are pleased to welcome him to the team."

"I've found that delivering meaningful improvement in process industries requires operational discipline, commercial creativity and the ability to navigate complex situations," said Ross Bushnell. "One Rock's approach of utilizing critical operating partner experience for the benefit of portfolio companies reflects the operator-investor collaboration I've found effective throughout my career."

Working alongside Operating Partners has been a key part of One Rock’s strategy since its inception. Mr. Bushnell joins a growing team of 28 Operating Partners at One Rock.
